Dear Parents/Guardians of Student Athletes:

The Anaheim Union High School District would like to invite your student(s) to participate in our after school sports program. The sports program has four seasons with a variety of activities (see attached).

The AUHSD After School Intramural Sports Program is rooted in a proud tradition of athletes who demonstrate good academics, sportsmanship, self-discipline, responsibility, character, commitment, fairness, and respect not only for themselves, but for all who participate in the intramural sports program.

Here is how our program works. All students who are interested in a sport may come out and participate for six weeks from 3:30 until 4:30 pm, Monday through Friday-in their PE clothes. After those six weeks, the coaches will select a 7th and 8th grade “All Star Team” to represent their school in a district wide intramural competition. The “All Star Team” will practice as a team for one week followed by a week of tournament play. In order for your student to be eligible in making the “All Star Team”, they must maintain a 2.0 grade point average (GPA) all year, have excellent attendance at practices, maintain a positive attitude, exhibit responsible and respectful locker room behavior, display respect to all who are involved, demonstrate team cooperation, finally display appropriate skill levels and must be available to play in all of the tournament games-they must not have any conflicts.

Team athletes will miss their 7th and/or 8th period classes to attend and participate in away games during the week of the intramural tournament. If this happens, the student is responsible to make up any work and/or tests they may have missed while playing sports.

The Anaheim Union High School District believes that participation in organized competitive sports will reward your student(s) with character, and a work ethic that will be valuable to them on and off the field of play for the rest of their lives.We welcome you and your

student(s) to the new school year and we hope that your student will join our amazing intramural sports program.

Below you will find the flyers with information students were given at the meetings and at orientation. You will also find the tournament schedule. Please see below for the current quarter sports schedule (also available on the OA Weekly Update).

If you have any additional questions, please contact your **school site Intramural Director:** Danielle Heath **(714) 220-3055** or heath_d@auhsd.us.
