

# School Accountability Report Card Reported for School Year 2008-09 Published During 2009-10

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

## I. Data and Access

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## II. About This School

### Contact Information (School Year 2009-10)

This section provides the school's contact information.

School		District	
<b>School Name</b>	Oxford Academy	<b>District Name</b>	Anaheim Union High School District
<b>Street</b>	5172 Orange Ave.	<b>Phone Number</b>	714-999-3502
<b>City, State, Zip</b>	Anaheim, CA 90630	<b>Web Site</b>	Auhsd.k12.ca.us
<b>Phone Number</b>	714-220-3055	<b>Superintendent</b>	Joseph M. Farley, Ed.D.
<b>Principal</b>	Kathy Scott	<b>E-mail Address</b>	Farley_j@auhsd.us
<b>E-mail Address</b>	scott_k@auhsd.us	<b>CDS Code</b>	30664313030616

### School Description and Mission Statement (School Year 2008-09)

This section provides information about the school, its programs and its goals.

The mission of Oxford Academy is to prepare students to be ethically and academically focused for entrance into college or university post-secondary education. Oxford Academy will provide students with a rigorous educational program in a collaborative setting, with emphasis on mastery of academics, critical thinking, and effective communication skills and character development.

### Opportunities for Parental Involvement (School Year 2008-09)

This section provides information about opportunities for parents to become involved with school activities.

There are a number of ways Oxford Academy promotes a family friendly environment. PTSA, OA Foundation, School Site Council, and booster groups for sports and music are active organizations on our campus. PTSA provides parent volunteers for school functions, weekly office assistants, and field trips. The OA Foundation's mission is to provide financial resources and assistance to promote the educational advancement and success of our students.

Financial support is generated through the Direct Investment Drive and by partnering with various groups in the community. School Site Council membership is composed of parents, students, and school staff. This council oversees and monitors the spending of categorical funds for the purpose of academic achievement. The counseling staff conducts parent workshops and facilitates family conferences throughout the school year. Timely information is disseminated to parents through a monthly school newsletter, the school website and Teleparent phone system.

### Student Enrollment by Grade Level (School Year 2008-09)

This table displays the number of students enrolled in each grade level at the school.

Grade Level	Number of Students
Grade 7	204
Grade 8	201
Grade 9	200
Grade 10	186
Grade 11	176
Grade 12	156
<b>Total Enrollment</b>	<b>1123</b>

### Student Enrollment by Group (School Year 2008-09)

This table displays the percent of students enrolled at the school who are identified as being in a particular group.

Group	Percent of Total Enrollment	Group	Percent of Total Enrollment
African American	1.25	White (not Hispanic)	12.91
American Indian or Alaska Native	0.09	Multiple or No Response	6.68
Asian	57.35	Socioeconomically Disadvantaged	20.00
Filipino	8.46	English Learners	0.00
Hispanic or Latino	12.02	Students with Disabilities	0.00
Pacific Islander	1.25		

### Average Class Size and Class Size Distribution (Secondary)

This table displays, by subject area, the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

Subject	2006-07				Avg. Class Size	2007-08			Avg. Class Size	2008-09				
	Avg. Class Size	Number of Classrooms				Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			
		1-22	23-32	33+			1-22	23-32			33+	1-22	23-32	33+
English	29.8	10	11	18	25.7	16	12	11	29.9	11	9	19		
Mathematics	31.7	1	17	17	28.1	5	23	12	34.0		13	19		
Science	32.1	1	19	19	32.2		16	21	34.3		15	22		
Social Science	32.4	3	9	18	30.6	4	9	19	34.7		8	20		

## III. School Climate

### School Safety Plan (School Year 2008-09)

This section provides information about the school's comprehensive safety plan.

School Safety Plans are reviewed on an annual basis. The Oxford Academy plan is currently under revision by the administration and designated site staff. Emergency drills are conducted at various times throughout the school year to practice procedures that will insure maximum student and staff safety.

## Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District		
	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09
Suspensions	0.0	0.1	0.0	6.0	6.6	16.7
Expulsions	0.0	0.1	0.0	0.9	0.9	1.1

## IV. School Facilities

### School Facility Conditions and Planned Improvements (School Year 2009-10)

This section provides information about the condition of the school's grounds, buildings, and restrooms based on the most recent data available, and a description of any planned or recently completed facility improvements.

Oxford Academy is a seventh through twelfth grade college preparatory high school, which opened in September, 1998. The facility was originally built in 1965 and used as a junior high school. The 24 acre site includes 42 regular classrooms, plus some portable classrooms at this time. There are 10 labs which are designed for specific programs (i.e. computer lab, science lab, choral music room, etc.) The site also includes a cafeteria, a multi-purpose room, a media center, a gym and a variety of sports fields.

**Maintenance and Repair:** Site and district maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority.

**Cleaning process and schedule:** The district has adopted cleaning standards for all schools. The administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. All classrooms and restrooms are cleaned daily and deep cleaning, waxing of floors, and painting takes place during times when school is not in session. Students, parents, and staff are encouraged to report any objectionable conditions via a uniform complaint procedure.

**Modernization and construction:** Extensive modernization and new construction was completed in September, 2006. The estimated total budget for the project was \$21.2 million. The project included eight new classrooms and a gym. Six campus buildings including 33 classroom spaces were modernized.

The most recent site inspection was completed on December 14, 2009.

### School Facility Good Repair Status (School Year 2009-10)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

System Inspected	Repair Status				Repair Needed and Action Taken or Planned
	Exemplary	Good	Fair	Poor	
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	[ ]	[X]	[ ]	[ ]	
<b>Interior:</b> Interior Surfaces	[ ]	[ ]	[X]	[ ]	Stained ceiling tiles in various rooms. Missing floor tiles on west side of room 206.
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	[ ]	[X]	[ ]	[ ]	
<b>Electrical:</b> Electrical	[ ]	[ ]	[X]	[ ]	Rooms 701 and 702 are missing several light diffusers. Electrical outlet box is coming off the wall in room 107.
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains	[ ]	[X]	[ ]	[ ]	
<b>Safety:</b> Fire Safety, Hazardous Materials	[ ]	[X]	[ ]	[ ]	
<b>Structural:</b> Structural Damage, Roofs	[ ]	[X]	[ ]	[ ]	

System Inspected	Repair Status				Repair Needed and Action Taken or Planned
	Exemplary	Good	Fair	Poor	
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	[ ]	[X]	[ ]	[ ]	
<b>Overall Rating</b>	[ ]	[X]	[ ]	[ ]	

## V. Teachers

### Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

Teachers	School			District
	2006-07	2007-08	2008-09	2008-09
<b>With Full Credential</b>	43	43	42	1304
<b>Without Full Credential</b>	1	1	1	43
<b>Teaching Outside Subject Area of Competence</b>	3	0	0	---

### Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). *Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.*

Indicator	2007-08	2008-09	2009-10
<b>Misassignments of Teachers of English Learners</b>	1	2	2
<b>Total Teacher Misassignments</b>	5	2	2
<b>Vacant Teacher Positions</b>	0	0	0

### Core Academic Classes Taught by No Child Left Behind Compliant Teachers (School Year 2008-09)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student participation of approximately 75 percent or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes In Core Academic Subjects Taught by	
	NCLB Compliant Teachers	Non-NCLB Compliant Teachers
<b>This School</b>	100	0
<b>All Schools in District</b>	99.7	0.3
<b>High-Poverty Schools in District</b>	100	0
<b>Low-Poverty Schools in District</b>	99.9	0.1

## VI. Support Staff

### Academic Counselors and Other Support Staff (School Year 2008-09)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	1.6	701
Library Media Teacher (Librarian)		---
Library Media Services Staff (paraprofessional)		---
Psychologist		---
Social Worker		---
Nurse		---
Speech/Language/Hearing Specialist		---
Resource Specialist (non-teaching)		---
Other		---

## VII. Curriculum and Instructional Materials

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2009-10)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

This information was collected in October 2009.

Core Curriculum Area	Quality, Currency, and Availability of Textbooks and Instructional Materials	Percent of Pupils Who Lack Their Own Assigned Textbooks and Instructional Materials
Reading/Language Arts	All students have access to core novels. The core novels serve as the textbook.	0
Mathematics	Mathematics textbooks were adopted in 2007-08. Course appropriate, standards-based textbooks were chosen for each mathematics course. There is one textbook available per student.	0
Science	Science textbooks were adopted in 2006-07. There is one textbook available per student. School staff will begin the selection process for new standards-based texts in 2006-07.	0
History-Social Science	History/Social science textbooks were adopted in 2005-06. There is one textbook available per student.	0
Foreign Language	Foreign language textbooks were adopted in 2003-04. There is one textbook available per student.	0
Health	Health textbooks were adopted in 2004-05. There is one textbook available per student.	0
Visual and Performing Arts		
Science Laboratory Equipment (grades 9-12)	All science labs at Oxford Academy have the following equipment: tables with chemical-resistant tops, stools at lab tables, white boards/chalk boards for demonstrations, one complete set of glassware per classroom, linear measuring devices (meter sticks, 12"/6" rulers, etc.), course appropriate charts, hot plates, triple-beam and/or top-loading balances, thermometers, overhead projector, LCD projector, ELMO projector, VCR/DVD player, and laserdisc player. Most labs have additional equipment appropriate for the courses being taught in the room.	0

## VIII. School Finances

### Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2007-08)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found on the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental)	Expenditures Per Pupil (Basic)	Average Teacher Salary
School Site	\$9,264	\$2,582	\$6,682	\$77,335
District	---	---	\$5,575	\$78,758
Percent Difference: School Site and District	---	---	19.9	-1.8
State	---	---	\$5,512	\$68,332
Percent Difference: School Site and State	---	---	35.2	13.2

### Types of Services Funded (Fiscal Year 2008-09)

This section provides information about the programs and supplemental services that are provided at the school through either categorical funds or other sources.

Funds generated from OA Foundation's Direct Investment Drive are used to provide a week long summer orientation for incoming seventh graders, provide extended hours for the school library to be open from 7:00 am until 4:30 pm daily, and to . Title I funds pay for teachers to attend the College Board Advanced Placement two week summer training, pay for teacher release time to develop curriculum, assessments, and course alignment. Title III funds are used to offer a Summer Writing Workshop for struggling writers in grades nine, ten, and eleven. This workshop allows students the opportunity to be taught specific writing strategies and to further practice their developing writing skills.

### Teacher and Administrative Salaries (Fiscal Year 2007-08)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size based on the salary schedule. Detailed information regarding salaries may be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$47,665	\$42,810
Mid-Range Teacher Salary	\$86,735	\$69,375
Highest Teacher Salary	\$99,631	\$89,104
Average Principal Salary (Elementary)	N/A	N/A
Average Principal Salary (Middle)	\$129,393	\$120,314
Average Principal Salary (High)	\$146,174	\$126,901
Superintendent Salary	\$237,300	\$198,563
Percent of Budget for Teacher Salaries	40	37.3
Percent of Budget for Administrative Salaries	4.2	5.2

## IX. Student Performance

### Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and ten through eleven. The CAPA includes ELA, mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA includes ELA for grades three through eight and science in grades five and eight and is an alternate assessment that is based on modified achievement standards. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. Student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>. Program information regarding the STAR Program can be found in the Explaining 2008 STAR Program Summary Results to the Public guide at <http://www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf>. *Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

### Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School			District			State		
	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09
English-Language Arts	99	99	100	41	43	44	43	46	50
Mathematics	91	89	90	32	30	28	40	43	46
Science	97	99	98	42	49	51	38	46	50
History-Social Science	96	95	95	36	38	43	33	36	41

### Standardized Testing and Reporting Results by Student Group – Most Recent Year

This table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

Group	Percent of Students Scoring at Proficient or Advanced			
	English- Language Arts	Mathematics	Science	History-Social Science
African American	100	79	*	*
American Indian or Alaska Native	*	*		
Asian	100	93	98	95
Filipino	100	91	97	92
Hispanic or Latino	100	83	98	96
Pacific Islander	100	88	*	100
White (not Hispanic)	99	83	100	96
Male	100	95	99	96
Female	100	86	98	94
Economically Disadvantaged	100	90	99	93
English Learners	*	*	*	*
Students with Disabilities	*	*		*
Students Receiving Migrant Education Services				

## California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade ten results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics in order to compute Adequate Yearly Progress (AYP) designations as required by the federal NCLB Act of 2001. Detailed information regarding CAHSEE results can be found at the CDE California High School Exit Examination (CAHSEE) Web site at <http://cahsee.cde.ca.gov/>. *Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

## California High School Exit Examination Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level in ELA and mathematics.

Subject	School			District			State		
	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09
English-Language Arts	100.0	99.4	100.0	48.3	52.7	49.4	48.6	52.9	52.0
Mathematics	100.0	100.0	100.0	55.5	53.9	53.1	49.9	51.3	53.3

## California High School Exit Examination Results by Student Group – Most Recent Year

This table displays the percent of students, by group, achieving at each performance level in ELA and mathematics for the most recent testing period.

Group	English-Language Arts			Mathematics		
	Not Proficient	Proficient	Advanced	Not Proficient	Proficient	Advanced
All Students	0.0	7.2	92.8	0.0	8.9	91.1
African American	*	*	*	*	*	*
American Indian or Alaska Native	*	*	*	*	*	*
Asian	0.0	7.3	92.7	0.0	6.6	93.4
Filipino	0.0	0.0	100.0	0.0	25.0	75.0
Hispanic or Latino	0.0	16.7	83.3	0.0	11.1	88.9
Pacific Islander	*	*	*	*	*	*
White (not Hispanic)	0.0	5.0	95.0	0.0	15.0	85.0
Male	0.0	7.2	92.8	0.0	7.2	92.8
Female	0.0	7.1	92.9	0.0	9.9	90.1
Economically Disadvantaged	0.0	16.7	83.3	0.0	6.7	93.3
English Learners	*	*	*	*	*	*
Students with Disabilities	*	*	*	*	*	*
Students Receiving Migrant Education Services	*	*	*	*	*	*

## California Physical Fitness Test Results (School Year 2008-09)

The California Physical Fitness Test is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the CDE Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pf/>. *Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
7	13.3	25.1	44.8
9	17.5	27.3	47.4

## X. Accountability

### Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Academic Performance Index (API) Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

### Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2006	2007	2008
Statewide	10	10	10
Similar Schools	10	10	10

### Academic Performance Index Growth by Student Group – Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. *Note: "N/A" means that the student group is not numerically significant.*

Group	Actual API Change			Growth API Score
	2006-07	2007-08	2008-09	2009
All Students at the School	4	2	1	983
African American				
American Indian or Alaska Native				
Asian	1	2	0	985
Filipino				
Hispanic or Latino			7	979
Pacific Islander				
White (not Hispanic)	1	5	6	983
Socioeconomically Disadvantaged	3	6	0	983
English Learners				
Students with Disabilities				

### Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

### Adequate Yearly Progress Overall and by Criteria (School Year 2008-09)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	Yes	No
Participation Rate: English-Language Arts	Yes	Yes
Participation Rate: Mathematics	Yes	Yes
Percent Proficient: English-Language Arts	Yes	No
Percent Proficient: Mathematics	Yes	No
API	Yes	Yes
Graduation Rate	Yes	Yes

### Federal Intervention Program (School Year 2009-10)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2008-2009
Year in Program Improvement		Year 2
Number of Schools Currently in Program Improvement	---	8
Percent of Schools Currently in Program Improvement	---	36.4

## XI. School Completion and Postsecondary Preparation

### Admission Requirements for California's Public Universities

#### University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the General Admissions Information Web page at <http://www.universityofcalifornia.edu/admissions/general.html>.

#### California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University Web page at <http://www.calstate.edu/SAS/admreq.shtml>.

### Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period for which data are available. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

Indicator	School			District			State		
	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08
Dropout Rate (1-year)				0.2	1.7	2.1	3.5	4.4	3.9
Graduation Rate		100.0	100.0	98.9	94.2	90.3	83.4	80.6	80.2

### Completion of High School Graduation Requirements

Students in California public schools must pass both the ELA and mathematics portions of the CAHSEE to receive a high school diploma. For students who began the 2008-09 school year in grade twelve this table displays by student group the percent who met all state and local graduation requirements for grade twelve completion.

Group	Graduating Class of 2009		
	School	District	State
All Students	100%	78.6%	---
African American	100%	78.2%	---
American Indian or Alaska Native		60%	---
Asian	100%	92.1%	---
Filipino	100%	95.4%	---
Hispanic or Latino	100%	72.3%	---
Pacific Islander	100%	85.2%	---
White (not Hispanic)	100%	83.2%	---
Socioeconomically Disadvantaged	100%	84.7%	---
English Learners		55.2%	---
Students with Disabilities	100%	43.1%	---

### Career Technical Education Programs (School Year 2008-09)

This section provides information about the Career Technical Education (CTE) programs and lists programs offered at the school.

Oxford Academy is in the process of identifying current industry pathways that best suit the needs and interests of its diverse student body. During the 2008-2009 school year the following career pathways were offered to the Oxford Academy student body: Programming and Systems Development, and Entrepreneurship. In 2008-2009 the Biotechnology and Medical Research pathway was developed to provide a 7th-12th grade course pathway that supports students who are interested in pursuing a career in the field of medicine or biotechnology.

### Career Technical Education Participation (School Year 2008-09)

This table displays information about participation in the school's CTE programs.

Measure	CTE Program Participation
Number of pupils participating in CTE	562 Students
% of pupils completing a CTE program and earning a high school diploma	100%
% of CTE courses sequenced/articulated between the school/institutions of postsecondary education	100%

### Courses for University of California and/or California State University Admission (School Year 2007-08)

This table displays, for the most recent year, two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission. Detailed information about student enrollment in, and completion of, courses required for UC/CSU admission can be found on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

UC/CSU Course Measure	Percent
Students Enrolled in Courses Required for UC/CSU Admission	58.1
Graduates Who Completed All Courses Required for UC/CSU Admission	100.0

### Advanced Placement Courses (School Year 2008-09)

This table displays, for the most recent year, the number of Advanced Placement (AP) courses that the school offered by subject and the percent of the school's students enrolled in all AP courses. Detailed information about student enrollment in AP courses can be found on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

Subject	Number of AP Courses Offered	Percent of Students In AP Courses
Computer Science	1	---
English	2	---
Fine and Performing Arts		---
Foreign Language	1	---
Mathematics	1	---
Science	3	---
Social Science	2	---
All courses	10	15.1

## XII. Instructional Planning and Scheduling

### Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Teachers participate in a variety of District in-services as well as professional development workshops and conferences to enhance their knowledge and instructional skills. Each year at least twenty days are designated for focused and site-specific professional development. Vertical teaming has been the focus of Oxford's on-site professional development for the following departments: English, foreign language, math, science, and social science. Oxford implemented a weekly late start on Monday mornings to provide a set time for collaboration and professional development. The faculty meets once a month to work on effective instructional strategies. Departments have ten designated Mondays to analyze and revise curriculum maps and common assessments. Teachers meet in grade-alike groups on six different Mondays and eight Mondays are designated for teachers to work on grades, conduct parent/student meetings, &/or meet with colleagues. Monday Late Start provides teachers with 75 minutes weekly of focused time for collaboration to reflect on effective and "best" practices, develop benchmark assessments, and to address student needs.

The Peer Assistance Review (PAR) and Beginning Teacher Support and Assessment (BTSA) programs are also opportunities for professional development. The District continues to train teachers in strategies to deliver a differentiated curriculum with depth and complexity. Teachers learn to utilize student assessment results through DataDirector in order to target instruction to better meet the individual needs of students. All district staff members are supported in their efforts to be considered highly qualified under NCLB.

Classified staff members have many opportunities to participate in district sponsored training designed to enhance their effectiveness with students.

## XIII. National Assessment of Educational Progress

### National Assessment of Educational Progress

The National Assessment of Educational Progress (NAEP) is a nationally representative assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in mathematics, reading, science, writing, the arts, civics, economics, geography, and U.S. history. Student scores for reading and mathematics are reported as performance levels (i.e., basic, proficient, and advanced) and the participation of students with disabilities and English language learners is reported based on three levels (identified, excluded, and assessed). Detailed information regarding the NAEP results for each grade, performance level, and participation rate can be found on the [National Assessment of Educational Progress](#) Web page (Outside Source).

Note: Only a sample group of California's schools and districts participate in the NAEP testing cycle. Therefore, students in any particular school or district may not be included in these results. The NAEP reflects state test results and is not reflective of either the LEA or the individual school. Comparisons of student performance on the NAEP and student performance on the Standardized Testing and Reporting (STAR) Program assessments cannot be made without an understanding of the key differences between the two assessment programs. For example, the NAEP only assesses grades four, eight and twelve and for long-term trends assesses grades nine, thirteen, and seventeen. Additionally, the NAEP only provides state test results for grades four and eight. The California Standards Tests (CSTs) are based on a different set of standards than the NAEP assessments. For example, the NAEP is not aligned with California academic content and achievement standards and, therefore, does not necessarily reflect the curriculum and instruction to which students are exposed in the classroom. The NAEP assesses reading and writing separately, while the CSTs assess English-language arts (ELA), encompassing reading as well as writing conventions, spelling, and grammar. Scores on the CSTs and other assessments are not directly comparable to those on NAEP. The averages and percentages presented are estimates based on samples of students rather than on entire populations. Finally, the questions students respond to are only a sample of the knowledge and skills covered by the NAEP frameworks. Information on the differences between NAEP and CST can be found on the CDE [National Assessment of Educational Progress \(NAEP\)](#) Web page.

### National Assessment of Educational Progress Reading and Mathematics Results by Grade Level – All Students

This table displays the scale scores and achievement levels on the National Assessment of Educational Progress Results for reading (2007) and mathematics (2009) for grades four and eight.

Subject and Grade Level	Average Scale Score		State Percent at Achievement Level		
	State	National	Basic	Proficient	Advanced
Reading 2007, Grade 4	209	220	30	18	5
Reading 2007, Grade 8	251	261	41	20	2
Mathematics 2009, Grade 4	232	239	41	25	5
Mathematics 2009, Grade 8	270	282	36	18	5

### National Assessment of Educational Progress Reading and Mathematics Results for Students with Disabilities and/or English Language Learners by Grade Level – All Students

This table displays the state and national participation rates on the National Assessment of Educational Progress for reading (2007) and mathematics (2009) for students with disabilities and/or English language learners for grades four and eight.

Subject and Grade Level	State Participation Rate		National Participation Rate	
	Students With Disabilities	English Language Learners	Students With Disabilities	English Language Learners
Reading 2007, Grade 4	74	93	65	80
Reading 2007, Grade 8	78	92	66	77
Mathematics 2009, Grade 4	79	96	84	94
Mathematics 2009, Grade 8	85	96	78	92
